### **Builders Association of La Porte County Ribbon Cutting**

LaPorte – The Builders Association of La Porte County officially opened their new office and Member Center on Tuesday, January 27, 2009 with a ribbon cutting ceremony hosted by The Greater La Porte Chamber of Commerce. Located at 2626 N. State Road 39, Suite 1, La Porte, Indiana. The facility will provide offices for The Builders Association as well as a new Member Center for Association members. The member center provides a mobile office area with internet access for members to utilize as well as meeting space for committees and

recreational events.

The Builders Association of La Porte County is an organization of Builders and Associate Members whose businesses provide products and services for the building industry and the community. All members of the organization subscribe to the Quality Assurance Program of the Indiana Builders Association, providing the consumer a way to measure their builder, remodeler, or home service provider with an industry approved set of standards. This gives the consumer the knowledge that they are dealing with industry professionals. The office is open to the public. As a community service, the association will provide referrals to individuals who contact The Builders Association and are interested in building, remodeling, purchasing a specific product, or seeking a member to hire to do work in their homes.

For more information visit the Association website at [www.balc.org](http://www.balc.org), contact Cindy Dangler, Executive Officer at 219.326.0624, or Larry Mosier, President at 219.448.0080.
