HOW IT WORKS:

- 8-person teams
- Each player chooses one club to use the entire time of the 9-hole round
- Teams determine a player rotation and play in that order throughout the entire outing.
 (example: If it is player #6 turn and the ball is on the green, they must putt the ball... even if they have a driver!)
- Non-golfer friendly
- Signup as an individual, group or team!
- Laugh & Have Fun!

All Crazy 8 golfers are invited to attend the dinner immediately following golf (approx. 5:30 p.m.)
