### **2008 State of the City**

LaPorte – The Greater LaPorte Chamber of Commerce and The LaPorte Hotel and Conference Centered, together, co-sponsored the 6<sup>th</sup> Annual State of the City on Monday, March 17, 2008. This event is held to facilitate businesses, residents, and the city government to come together as one. Mayor Kathy Chrobak spoke about her plans as the new mayor of the City of LaPorte. She spoke of her many plans to improve the city.

The movement for NewPorte Landing is still being carried through. Chrobak stated that, “NewPorte Landing will become a revitalized part of the city.” Plans are to add hiking trails, which would add ambiance to the area.

Another big development scheduled to take place is the renovation of the LaPorte Depot. Upon completion of the interior, which is scheduled to happen late 2008, the Depot will then accommodate The Greater LaPorte Chamber of Commerce.

Chrobak noted, “LaPorte is certainly on the move. I’m thrilled to be leading the charge.”
